

Thematic Month on Mathematical Issues in Biology

February 3 - March 6, 2020

CIRM, Marseille, FRANCE

Research school

PDE and probability for
biology

February 3 - 7, 2020

Conference on

Mathematical models in
evolutionary biology

February 10 - 14, 2020

Conference on

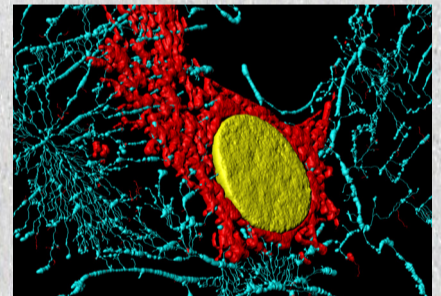

Mathematical modeling
and statistical analysis of
infectious disease
outbreaks

February 17 - 21, 2020

Conference on

Mathematics of complex
systems in
biology and medicine

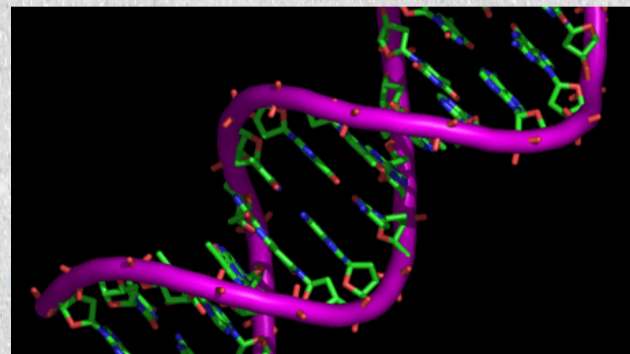

February 24-28, 2020

Research school

Networks and molecular
biology

March 2 - 6, 2020

Organized by the math-bio groups of the
Institute of Mathematics of Marseille, FRANCE
<https://conferences.cirm-math.fr/2141.html>
